

Mississauga Area / Wellington Area Skills & Permits Weekend

Returning by popular demand:

5th Annual Mississauga/Wellington Permits Weekend!

**Open to all Scouts and Scouters regardless of your Area or Council.
Earn all your permits, or brush up on your skills, in one weekend!**

A team of Scouters from Mississauga, and Wellington Areas have joined forces to help your Troop members earn all four permits; **knife, stove & lantern, match & fire** and **axe & saw**.

For **any new Scouters**, or just those looking to acquire new skills, this is a great way for you to increase your knowledge of these skills as well! Sessions with small groups of people and multiple trainers will be run for each permit. Sessions on basic pioneering knots and lashings will also be offered. Join us for campfire Saturday night. Hot chocolate will be provided. Register your Troop for this excellent opportunity today!
